

AMERICA'S FINEST CHEFS DEMAND CHIPPERBEC.™

WORLD'S FINEST FRYING POTATO

Chipperbec potatoes have been developed over the past 40 years by America's most experienced potato farmers to meet all the demands of today's restaurant chefs.

Chipperbec is a propriety Non- GMO potato grown to be the most consistent frying potato year round. The low sugars high starch ratio insure Chipperbec to fry white, fluffy, and crispy. They are great for making fresh cut French fries and potato chips. Chipperbec are available year round from one of our many Chipperbec approved farms, never gapping supply. What makes Chipperbec so successful? Our Farms have strict growing practices, including seed selection, fertilizer optimization, good harvesting practices, storage management, packing, and distribution. This is what makes Chipperbec the finest frying potato on the market.
