# AMERICA'S FINEST CHEFS DEMAND CHIPPERBEC.™

## WORLD'S FINEST FRYING POTATO

CHIPPERBEC potatoes have been developed over the past 40 years by America's most experienced potato farmers to meet all the demands of today's restaurant chefs.

CHIPPERBEC is a proprietary Non-GMO potato grown to be the most consistent frying potato year-round. The Low Sugars high starch ratio ensure CHIPPERBEC to fry white, fluffy, and crispy. They are great for making fresh cut French fries and potato chips.

## AVAILABLE YEAR-ROUND

CHIPPERBEC are available year-round from one of our many CHIPPERBEC approved farms, never gapping supply.

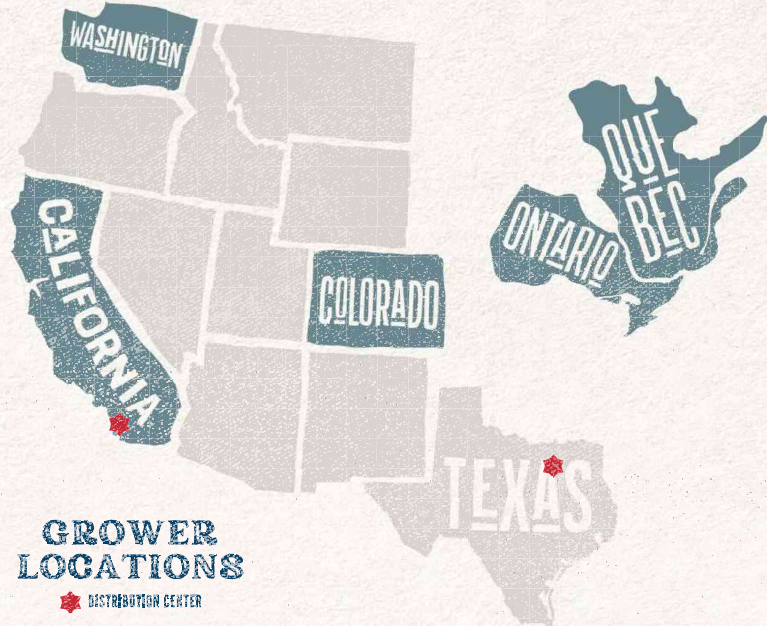

What makes CHIPPERBEC so special? Our farms have strict growing practices, including seed selection, fertilizer optimization, good harvesting practices, storage management, packing, and distribution. This what makes CHIPPERBEC the finest frying potato on the market.
